By giving to the Online Envelope Fundraiser you are helping to raise funds that not only benefit our students academically, but spiritually as well. Every day our students are challenged academically by some of the best curriculum available and staff who strive to drive our students to achieve excellence. But that's not all the instruction they receive. Every day our students study Bible, not only from an historical aspect, but as a life application tool. The students learn what the Bible teaches regarding striving to be the best, being kind to others, and living a life that is completely pleasing to HIM. Faith Christian Academy is dedicated to not only molding children who will excel academically, but who will be world changers from spiritual aspect.

We have been so blessed over the last four years to see the fruit of the school's work. We've seen children who are not afraid to stop and pray for families and other students in need and because of such have been witness to healing miracles. We've seen high school students drop to their knees and lead our preschool students in prayer. We've seen the miracles of life changing transformations because of decisions being made to follow Jesus. We have been blessed beyond belief so far, but we know God's not done yet.

Faith Christian Academy is God's school and He's not done yet. Your gift will help support an outstanding school and amazing ministry. Specifically, the funds raised during this campaign will be used for the construction of the new building, pre-school playground equipment, and other general budget needs.
